Dear Parent/Carer

Here we are again at the tail end of an extremely busy term. Many of our students have taken their early entry examinations in Math's, English and Science we await their results which should arrive in January.

As you know last year was our most successful ever in the history of the school. We have now received formal verification that we are in the top 11% of schools in terms of our performance which is a reason for celebration. To think 5 years ago we were in the bottom 1%!!!

Well done to all our young people, their families and all the staff here in school.
